Telephone: (205) 328-5820

Joe McInnes  
Transportation Director

June 21, 2006

To Whom It May Concern:

We have used the "Vortex" system for test results in our fleet which consist of, but not limited to, Ford Taurus, Chevrolet Silverado and Ford F-350 crew cabs. Massey Ferguson Tractors, F-350 Ford Turbo Diesel, Ford Rangers, Ford F-900. Ford F800 and Freightliner DD 60 S with Tandem day cab.

We have experienced an increase of 3 to 5 miles per gallon on cars, C1500 pickups with 5.3 liter engines. F-350 Fords increased 3 miles a gallon and the Freightliner increased by 2 miles per gallon.

We are currently in the process of ordering 287 units and looking forward to the same amazing results in the future.

Sincerely,

Roger D. Williams  
Equipment Maintenance Superintendent
