

PEPSI  AMERICAS

January 14, 2008

Dear Sir or Madam:

We are using the Vortex XS-FLO Fuel Saver. Our fleet consists of two tankers six cylinders Mack 350 model AC 400, fourteen 18 wheelers tractors M466 E electronics and six 18 wheelers tractors, 4 are Mack A400 and 2 Ford L9000 M14 Cummins. The whole fleet experience an average reduction of 18 to 21 % in fuel.

We endorse the use of the Vortex XS-FLO Fuel Saver since we are very pleased with the results.

Sincerely,

Carlos Cordero  
Fleet Manager
